These Class of 2020 Mountaineers have been accepted to become Wolves! If you see any of these 7 seniors, please congratulate them on their admission to Western Oregon University. They all applied during an Instant Wolf event at FCHS in October and were granted admission on the spot! That means they have at least a 3.0 GPA and took all of the required math, English, science and social studies classes during high school.

All of these students are applying to multiple colleges and trade programs. They are going to have a lot of options for next fall! Their interests include criminal justice, health care, sports medicine, psychology, music, and trades.

We are so proud of our seniors. They've been working hard, exploring their options, and planning for the future. It's not about knowing exactly what you want to do, but having choices.

Go Mountaineers! Go Wolves!
