

Falls City School District

Falls City CERT Students

Students at Falls City High School are making our community a safer place to live by participating in a CERT course. This dual credit class gives students an opportunity to become certified for the Community Emergency Response Team in Polk County and earn an English Language Arts credit. Today we went hands on to practice using a fire extinguisher to put out a small fire.

Representatives from Polk CERT and area fire departments came out to help students practice the PASS method. Students have learned to approach a small fire, extinguish it, and leave the situation safely.
